THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2015-203-E - Application of Duke Energy Carolinas, LLC for Approval of Rider RNM, Renewable Net Metering - Staff Presents for Commission Consideration Duke Energy Carolinas, LLC's Application for Approval of Rider RNM (Renewable Net Metering).

COMMISSION ADVISED

After due consideration of the information provided by the parties in these Dockets, and their general agreement with the proposals before us, I move that we approve the following tariffs as finally filed: Duke Energy Carolinas' Rider RNM, Renewable Net Metering; Duke Energy Progress's Renewable Net Metering Rider RNM-1; and South Carolina Electric & Gas's Rider to Retail Rates – Net Energy Metering for Renewable Energy Facilities, and that this Commission issue a separate Directive and/or Order for each Docket. Under the terms of the Settlement Agreement approved by Commission Order No. 2015-194, the three utility companies must update annually the value of NEM generation eligible for these Riders, and file the information with this Commission at the same time as their yearly filings under their respective fuel clauses. Accordingly, I also move that we encourage the utilities to propose modification of these tariffs at the time of the annual filings, if appropriate, as updated information becomes available. Finally, I move that the three utility companies review and consider the comments of the Intervenor and the Office of Regulatory Staff in the present Dockets before filing proposed updated renewable net metering tariffs in the future.
